The following courses, if not listed above, were taught in grades 7 or 8: geography, civics, world history, history of the U.S. and Pennsylvania, algebra, geometry, safety education including fire safety, health and physiology, physical education, music and art.

I have read the standards and procedures of the SVHDP and have followed them in my evaluation to issue credits.

Evaluator signature: _____

Program Supervisor: _____

In order for SVHDP to provide a final GPA we request that the letter grade be provided for each subject listed. Evaluators are to have this transcript form completed. This form and all evaluations are to be sent to the above address when the student is ready for graduation. Please do not forget the deadline for filing.

****GPA=** (core subjects/unweighted) Using 4.0 scale
