The following courses, if not listed above, were taught in grades 7 or 8: geography, civics, world history, history of the U.S. and Pennsylvania, algebra, geometry, safety education, including fire safety, health and physiology, physical education, music, and art.

I certify that this student has met all the PA State requirements for graduation from a home education program.

I have read the standards and procedures of the SVHDP and have followed them in my evaluation to issue credits.
